

THE PERFECT FIT FOR KEY PLAYERS

ROBERT HALF INTERIM MANAGEMENT

The current economic context is increasingly one of challenges. Constant pressure to grow and modernise, changing rules and laws, periods of crisis and ever-tighter deadlines are placing ever-greater demands on employers.

Since 1995, Robert Half Interim Management recruits highly qualified independent interim managers for short-term assignments in Belgium and far beyond its borders – to the extent, in fact, that the company has become the reference in this area.

Robert Half Interim Management selects the following profiles :

- General Management
- Finance & Administration
- Change Management
- Sales & Marketing
- Human Resources Management
- ICT
- Logistics & Production

THE QUALITY OF OUR INTERIM MANAGERS

At Robert Half Interim Management we are committed to finding your interim manager within five working days. And this without compromising our strict selection procedures.

That is possible thanks to the quality of Robert Half Interim Management's extensive and up-to-date international database. Candidates are subject to several in-depth interviews and may present one or more references relating to the profile sought.

A Robert Half interim manager is available immediately. This means he can place his specific experience and qualities at the service of your project from the word go.

OUR CONSULTANTS ARE GENUINE INTERLOCUTORS

A consultant with Robert Half Interim Management has extensive multi-disciplinary corporate experience at senior level. He is thereby able to communicate openly and fluently in both the client's language and that of the interim manager, on their mutual

requirements and expectations, and on knowledge and experience. And he puts as much time and energy into this as is necessary to arrive at a successful, profitable cooperation.

Your consultant also keeps his finger on the pulse at all times, even after the post for your project has been filled, both in respect of you and in respect of your interim manager. In this way he ensures there is no room for misunderstandings.

HONESTY, INTEGRITY AND PROFESSIONALISM

Robert Half Interim Management only accepts an assignment after mutual agreement between the three parties concerned: the client, the interim manager and Robert Half Interim Management. After all, honesty, integrity and professionalism are the central values underpinning all our relations.
